

On-Hold Reminder Scripts

FOR USE DURING THE EARLY FALL MONTHS, AS APPROPRIATE:

The influenza season is upon us, and we want to make sure our patients are protected from this serious disease. Annual vaccination is the best way to protect you and your family. Talk with us today about scheduling an influenza vaccination.

FOR USE DURING THE LATE FALL/WINTER MONTHS, AS APPROPRIATE:

The influenza season is upon us. If you haven't already had your child and yourself vaccinated against influenza this year, it's not too late because influenza season can last until May. Annual vaccination is the best way to protect you and your family. Talk with us today about influenza vaccination.
